MASTER CARTON LOGO ARTWORK, OFF SHORE SUPPLIERS

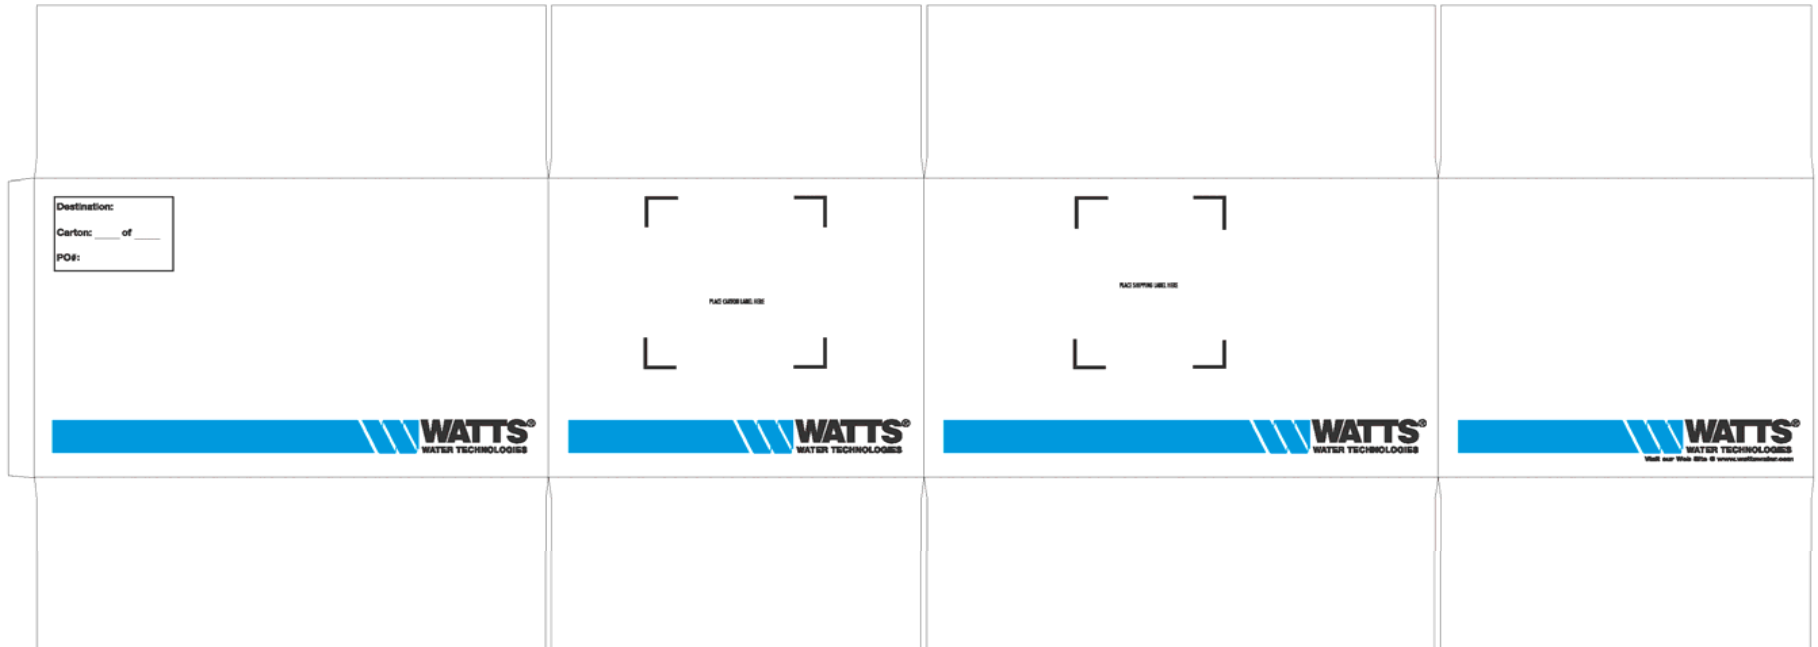

NOTES:

- **IMPORTANT: Do not recreate the Watts Water Technologies Logo. Contact Watts Water Technologies MARCOM Dept. for actual artwork files to be used. ④ ⑥**
- This artwork is to be used on all new and existing Watts Water Technologies master cartons. ⑥
- For domestic supplier master carton logo artwork refer to ATI M.75.A1 (EDP# 5003384).
- For carton label creation information contact Watts Water Technologies Marketing Communications Group. ⑥
- The artwork on this ATI is for reference only and is not to be used as acceptance criteria for inspection.
- Dimensions shown in inches (millimeters shown in brackets []).
- This artwork will vary with each carton based on the cartons size and configuration. The following pages provide an outline for the creation of the artwork, however some items shown may need to be omitted or resized. Final artwork approval for all cartons is at the discretion of Watts Water Technologies Marketing Communications Group. ⑥
- For engineering reference only, ATI artwork saved as "5003384_ARTWORK" in the "ACTIVE ATI" directory.
