The Most Complete Line of RV Water Filtration Products in the Industry!
Filter Replacement Made Simple.

Increase your filter and cartridge sales!

WATER FILTER REPLACEMENT GUIDE
Select the correct Flow-Pur® Cartridge for your RV!

- Save over 45% compared to competing RV filters.
- With the handy Water Filter Replacement Guide, consumers can easily identify the correct filter for their RV. No questions, no confusion, no returns!
- Flow-Pur filters are interchangeable with most competing RV filters, cutting down on inventory costs.
- High quality filter media for high performance!

Flow-Pur® RV-PRO 10,000 Softener
Protects plumbing and appliances wherever you go!

Enjoy clean, soft water for 10 to 20 days costing only pennies a week to operate! With just one box of common table salt, the RV-PRO 10,000 softens up to 1,000 gallons at 10 grains of hardness per cycle and regenerates in under 40 minutes. Flow-Pur double hose shut-off valve eliminates manually switching the inlet and outlet hoses to regenerate, making it the most user friendly, competitively priced RV water softener on the market today!

Features
- One compact portable unit (8 x 22")
- Uses only 2 lbs. of table salt per regeneration
- Non-electric manual operation with no buttons or moving parts
- High capacity resin with 10,000 total grain removal capacity
- Unique “Y” ball valve makes regenerating a snap!
- Hardness strips included
The Flow-Pur Single Water Filter System installs outside of the coach or boat to the water supply hose. This system filters the entire water supply.

POE12GHGACB Replacement Housing with 1/2" opening with threaded female connector.

FP10GKJ Inline GAC/KDF Replacement Filter cartridge with John Guest fittings. Inhibits bacteria growth.

MAXVOC975RV .05 Micron Carbon Block Filter Cartridge designed to reduce cysts, lead, chlorine tastes and odors.

FM1A975RV 99.9% Cyst Reduction Filter Cartridge with a flow rate of 3 GPM, replacement cartridge for Flow-Pur ultimate system and fits most name brand filter housings.

4 Foot End Cap "Premium Starter Package"

3 Simple Steps To Effortlessly Increase Your Filter Business!

“We listened and learned from our Flow-Pur rep... we stock the product, ask for the sale, use the fit chart and now average 100 cartridges at a 3-4 day rally.”

—J. MARTINEZ, RV MEDIC, TAMPA FL

“Our service writers have increased Flow-Pur cartridge sales by a few hundred percent, simply by asking our service customers if they want a replacement... results are similar in-store when we ask for the sale…”

—MIKE PROVOST, NORTH TRAIL RV CTR., FT. MYERS, FL

Flow-Pur displays make finding the right filter as easy as

1. Select the correct Flow-Pur Catalog for your RV.
2. Choose the filter that meets your needs.
3. Ask for the sale and increase your business!
