

pronto!™

Adjustable Floor Drains and Cleanouts with Integrated Level

Save 15 Minutes Per Drain Installation

Pronto! is the complete adjustable floor drain solution that provides maximum efficiency and accuracy during installation. Designed for post-pour adjustment and featuring dual-adjustable cleanouts, Pronto! key product features save contractors time and labor costs:

- Exclusive, patented, built-in bubble level with concrete cover
- Floor drains adjustable 2 ½" pre-pour and 7/8" post-pour
- Cleanouts adjustable 1 ½" pre-pour and 1" post-pour
 - Available in PVC and cast iron with 2", 3", 4" solvent weld, no-hub, and optional connections
 - Cast iron clamping collar models are also available in 6" pipe connections
