FEATURES AND BENEFITS

- Wide range of models to connect faucets, toilets, refrigerator ice makers, washing machines, dishwashers, water purifiers, widespread connections, old style bath supplies, water heaters, and other related uses.
- PVC connectors feature heavy duty reinforcement which provides excellent strength and long term reliability. Stainless steel braid reinforced connectors are double reinforced through the use of a reinforced inner core thermoplastic hose covered completely with stainless steel wire braid.
- Specially molded sealing washers make leak-free installations quick and easy. All washers snap into place and should not fall out or get lost.
- Hose compounds resist attack from chemicals found in water and provide an increased service life.
- All products are suitable for use with hot or cold potable water because they are intended to comply with IAPMO, NSF 61, and California Prop 65 standards.

INSTALLATION

Brass nuts: Hand tighten plus ¼ turn. Check for leaks. Do not over tighten.
 Plastic nuts: Hand tighten only. Check for leaks. Do not over tighten.

USAGE

These products are for use with water in exposed, accessible locations only. They are not intended for connection from an undersink instant hot water heater to a faucet.

PRODUCT SELECTION

It is the responsibility of the user to determine the suitability of a product for any intended application.

MAINTENANCE

Flexible connectors should be inspected regularly for general fitness and they should be replaced if they show signs of damage, corrosion, or wear, or if they are more than five years old. Do not expose flexible water connectors to corrosive chemicals. Do not store household chemicals in proximity of flexible water heater connectors.

Sizes through 24" are packed straight, 25 pieces per box.

Connectors longer than 24" are coiled and twist tied, then packed 10 pieces per box.

Note: Retail packaging and OEM products available upon request.

Terms and Conditions

FREIGHT TERMS: All shipments are F.O.B. shipping point. Shipments from factory less than 1000 lbs. are F.O.B. factory. Factory shipments OF \$500 and over within the continental U.S.A. will be prepaid and allowed when made at the lowest motor carrier transportation rate.

TERMS OF SALE: All sales are F.O.B. shipping point.

PAYMENT TERMS: The invoices are due and payable 30 days from the date of invoice.

PURCHASE ORDER FORMS: Orders submitted on customer's own purchase order forms will be accepted only with the express understanding that no statements,

clauses, or conditions contained in said order form will be binding on the Seller if they in any way modify the Seller's own terms and conditions of sales.

STOCKING WHOLESALE MINIMUM CHARGE: A minimum billing charge of \$100.00 applies to shipments F.O.B. factory. Orders must be in inner pack or master carton. Orders in broken box quantities will be subjected to a 10% surcharge.

SPECIAL PRODUCTS: Orders for special or modified products are non-cancelable.

LIMITED WARRANTY: Savard Plumbing Company warrants each product to be free from defects in material and workmanship under normal usage for a period of one year from the date of original shipment. In the event of such defects within the warranty period, the Company will, at its option, replace or recondition the product without charge.

THE WARRANTY SET FORTH HEREIN IS GIVEN EXPRESSLY AND IS THE ONLY WARRANTY GIVEN BY THE COMPANY WITH RESPECT TO THE PRODUCT. THE COMPANY MAKES NO OTHER WARRANTIES, EXPRESS OR IMPLIED. THE COMPANY HEREBY SPECIFICALLY DISCLAIMS ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE.

The remedy described in the first paragraph of this warranty shall constitute the sole and exclusive remedy for breach of warranty, and the Company shall not be responsible for any incidental, special or consequential damages, including without limitation, lost profits or the cost of repairing or replacing other property which is damaged if this product does not work properly, other costs resulting from labor charges, delays, vandalism, negligence, fouling caused by foreign material, damage from adverse water conditions, chemical, or any other circumstances over which the Company has no control. This warranty shall be invalidated by any abuse, misuse, misapplication, improper installation or improper maintenance or alteration of the product.

Some States do not allow limitations on how long an implied warranty lasts, and some States do not allow the exclusion or limitation of incidental or consequential damages. Therefore the above limitations may not apply to you. This Limited Warranty gives you specific legal rights, and you may have other rights that vary from State to State. You should consult applicable state laws to determine your rights. **SO FAR AS IS CONSISTENT WITH APPLICABLE STATE LAW, ANY IMPLIED WARRANTIES THAT MAY NOT BE DISCLAIMED, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE, ARE LIMITED IN DURATION TO ONE YEAR FROM THE DATE OF ORIGINAL SHIPMENT.**

SERVICE POLICY: For inoperative products beyond the warranty period, we assume no liability for replacement of valves due to service conditions beyond our control.

RETURNED GOODS: No material shall be returned without authorization. When credit is issued it will be at the price charged, or prevailing price if lower, less handling charges based on costs of reconditioning, boxing, etc. However, a minimum 25% handling charge will apply. A minimum handling charge of \$20.00 is applied whenever the 25% handling deduction does not total \$20.00. Products which are obsolete or made to special order are not returnable.

NOTE: Prices and terms are subject to change without notice and supersede all previous quotations. The right is reserved to change or modify product design or construction without prior notice and without incurring any obligation to make such changes and modifications on products previously or subsequently sold.
